Farm Crew Member – Black Cat Farm

Location: Boulder, CO
Pay Rate: $18.50/hour
Reports to: Farm Production Manager

About Black Cat Farm

Black Cat Farm is a diversified farm in Boulder, CO, raising heritage pigs and sheep and growing a wide variety of vegetables for local farmers markets and our farm-to-table restaurants. We value sustainability, high-quality production, and a strong work ethic on our team.

Position Overview

We are seeking a hardworking and reliable Farm Crew Member to join our team. This position involves a variety of tasks, including animal care, vegetable production, and general farm labor. The ideal candidate will be motivated, adaptable, and able to thrive in an outdoor, fast-paced environment.

Responsibilities

Animal Care

- Assist with daily feeding, watering, and monitoring of pigs and sheep
- Move animals to new pastures and maintain fencing as needed
- Help with cleaning barns, pens, and shelters
- Observe animal health and report any issues

Vegetable Production

- Harvest a wide variety of vegetables for market and restaurant sales
- Wash, sort, and pack produce to quality standards
- Assist with field tasks such as planting, weeding, irrigation, and bed preparation

General Farm Work

- Operate basic farm tools and equipment safely
- Participate in farm clean-up, maintenance, and infrastructure projects
- Work collaboratively with the farm team to meet daily and seasonal goals

Other Duties

- Perform all other tasks as assigned to support the overall success of the farm

Qualifications

- Previous farm, garden, or manual labor experience preferred
- Comfort working with livestock and outdoors in all weather conditions
- Ability to lift 75 lbs and perform physically demanding tasks
- Must have reliable personal transportation and valid drivers license
- Dependable, punctual, and able to follow instructions and work independently

- Strong team player with a positive attitude

Schedule

This is an hourly position with variable hours depending on the season and farm needs. Weekend availability may be required.
